Instructions for Natividad CITI Learners-

To Enroll in a Course:

1. You will be presented with a series of options to enable you to enroll in the **Learner Group** appropriate to your interests or your role in Human Subject Research**. The Learner Groups are as follows:**
   a. **Biomedical Researcher,**
   b. **Social-Behavioral Researcher,**
   c. **IRB Committee Member**
   d. **General Natividad Faculty and Staff**

2. The Natividad IRB requires that all Research Study Personnel at Natividad or affiliated sites and the IRB Committee complete all of the required modules and one elective module in the Human Subjects course for which you will receive a certificate of completion from CITI.

3. All Natividad Medical faculty and staff including nurses, social workers, pharmacists, lab technicians or other Natividad personnel including researchers are welcome to take additional courses through the Natividad Citi Program Subscription in addition to the Human Subjects Protection Courses including: Animal Care and Use (ACU), Conflicts of Interest (COI), Good Clinical Practice (GCP), Information Privacy and Security (IPS), Responsible Conduct of Research (RCR) and Revised Common Rule. You will earn a certificate of completion from CIT for each course you complete. You will not earn CME unless you chose to pay for this individually.

4. The next page after you choose your course brings you to the **Main Menu**. This page lists the courses you have chosen. The Main Menu also provides a number of **Learner Tools** designed to help you.
   o The **Add a Course or Update Learner Groups** link allows you to go to the enrollment questions and change your **"Learner Group"** by providing new responses to the enrollment questions.
   o The **View Previously Completed Coursework** link allows you to see your past scores, view expirations, and print completion reports.
   o The **Update Institution Profile** link allows you to update your institution-specific details, such as your institutional ID or employee number, email, department, role in research, etc.
   o The **View Instructions page** link brings you back to this page.
   o The **Remove Affiliation** link allows you to unaffiliate with an institution if you are no longer required to be certified under them and wish to no longer receive email notifications regarding courses under the institution. Please be aware that you will not have access to previous scores or completion reports obtained under the institution unless you remain affiliated.

- o You may affiliate with another institution. The software will sum the requirements of both institutions so that you need not retake modules common to the requirements of both institutions.
5. Click the **Title of the Course** to begin or continue the course.
6. Please **Complete the Integrity Assurance Statement** presented at the top after clicking a course title. The system will allow you to start taking the course modules after completing it.
7. Complete the Required modules and associated quizzes.

9. When you complete all Required Modules in your curriculum and any necessary Elective Modules, you will be shown a list of **Optional Modules**. You may return to the course site at a future time to review these modules.

10. When you complete all required modules successfully, you may print your completion report through the link:

To Complete the Course:

- The minimum "passing" aggregate score for the quizzes has been set at 80% by Natividad. A running tally is compiled in the Grade Book. If you want to improve a score on a quiz, you may repeat any quiz in which you didn't score 100% correct. Scores obtained **after** a completion report has been issued **will not** be reflected on the completion report.
- Print or download a **Completion Report** as evidence that you have met your institutional requirements. A copy will be sent automatically to your Natividad administrator. You may return to the course site in the future to obtain a copy of the completion report. The **My Reports** page will allow you to access any completion reports you have earned.
- Submit a voluntary, anonymous user satisfaction survey.
