

# NATIVIDAD GRAND ROUNDS

SERIES CHAIR: **CRAIG A. WALLS, MD, PhD**  
CHIEF MEDICAL OFFICER, NATIVIDAD MEDICAL CENTER

REGULARLY SCHEDULED SERIES VIA PODCAST

The Natividad Grand Rounds podcast series is comprised of separate episodes — each episode is eligible for 1 *AMA PRA Category 1 Credit™*. **To obtain credit** for an episode (activity), you must complete the Activity Reflection by submitting a reflective statement (a few sentences) for each podcast episodes (activities) you complete. A link will be provided in each Episode Description.

**TARGET AUDIENCE:** Geared to providers and related ancillary services professionals.

**DESIRED OUTCOMES:**

- Discuss evidence and consensus-based recommendations for patient care, practice improvement, and physician well-being.
- Effectively translate the acquired strategies into improved diagnostics and communication with patients, and subsequently implement a better treatment plan when appropriate.

**ACCREDITATION:**

Natividad Medical Center is accredited by the California Medical Association (CMA) to provide continuing medical education for physicians.

Natividad Medical Center designates this enduring material for a maximum of 1.0 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**PROFESSIONAL PRACTICE GAP(S):** Medical providers practicing in the acute care hospital and trauma center setting must evaluate and treat the widest breadth of clinical presentations in all of medicine. Diagnosis and management of these disease processes change frequently. Medical providers, especially in this era, are struggling to maintain well-being with the emotional and physical toll of caring for patients during the COVID-19 pandemic.

**EDUCATIONAL FORMAT:** This activity will be a podcast enduring material with handouts.

**EDUCATIONAL NEEDS:** With constant medical research impacting clinical practice, medical providers need to be constantly updated. Medical providers also need to refresh their knowledge-base so that they do not lose it.

**DESIGNED TO CHANGE:** Knowledge and Competence/Skills/Strategies

**DESIRABLE PHYSICIAN ATTRIBUTES ADDRESSED:** Patient Care and Procedural Skills, Medical Knowledge, Practice-Based Learning and Improvement, Interpersonal and Communication Skills, Professionalism, Work in Interdisciplinary Teams, Employ Evidence-Based Practice, Interprofessional Communication, Teams and Teamwork.

**COMMERCIAL SUPPORT:** There is no commercial support for this activity.

**DESKTOP & MOBILE ACCESS:** Access the podcasts via uStudio app or website.
